			outstanding leadership and passion for robotics and STEAM education.		
1 <sup>st</sup>	SKNRA RoboMindset Summer Camp 2023 <b>RoboMaster Excellence Award</b>	Trophies	<p>This award is given to the participant who has demonstrated exceptional performance and excellence across all aspects of the RoboMindset Summer Camp, showcasing a high level of skill, knowledge, and dedication.</p> <p>The name "RoboMaster Excellence Award" reflects the camp's focus on robotics and mastery of skills, while emphasizing the recognition of overall excellence.</p>	Awarded to <b>HANNAH MARIE WILLIAMS</b> from Group 5 with support of the group	Awarded to <b>JAIDEN CLARKE</b> from Group 2 with support of the group
2 <sup>nd</sup>	SKNRA RoboMindset Summer Camp 2023 <b>STEAM Female Superstar Award</b>	Trophies	<p>This award recognizes the outstanding achievements and contributions of female participants in the fields of Science, Technology, Engineering, Arts and Mathematics (STEAM). The "STEAM Superstar Award" highlights the exceptional talents, creativity, and dedication displayed by female individuals during the RoboMindset Summer Camp, encouraging and empowering more young women to excel in STEAM-related activities.</p>	Awarded to <b>LEAH JEREMIAH</b> from Group 3 with support of the group	Awarded to <b>NAILAH TAYLOR</b> from Group 3 with support of the group
2 <sup>nd</sup>	SKNRA RoboMindset Summer Camp 2023 <b>STEAM Male Superstar Award</b>	Trophies	<p>This award recognizes the outstanding achievements and contributions of male participants in the fields of Science, Technology, Engineering, Arts and Mathematics (STEAM).</p>	Awarded to <b>ASXAVIER RICHARDS</b> from Group 2 with support of the group	Awarded to <b>MAYUR DASWANI</b> from Group 1 with support of the group

			<p>The "STEAM Superstar Award" highlights the exceptional talents, creativity, and dedication displayed by female individuals during the RoboMindset Summer Camp, encouraging and empowering more young men to excel in STEAM-related activities.</p>	
3 <sup>rd</sup>	<p>SKNRA RoboMindset Summer Camp 2023</p> <p><b>CodeCraft Excellence Award</b></p>	Trophies	<p>The "CodeCraft Excellence Award" recognizes participants who have demonstrated exceptional programming skills and craftsmanship during the RoboMindset Summer Camp.</p> <p>This prestigious award celebrates individuals who have displayed an exemplary understanding of coding principles and a mastery of crafting efficient, elegant, and effective code.</p>	<p>Awarded to <b>JAYDEN WARNER</b> from Group 2 with support of the group</p>
4 <sup>th</sup>	<p>SKNRA RoboMindset Summer Camp 2023</p> <p><b>Innovation Showcase Award</b></p>	Trophies	<p>This award acknowledges participants who have delivered the most impressive and innovative demonstrations during the RoboMindset Summer Camp. The "Innovation Showcase Award" highlights their ability to showcase cutting-edge ideas, technical skills, and creative problem-solving through captivating demonstrations. This recognition encourages participants to think outside the box and push the boundaries of technology and robotics.</p>	<p>Awarded to <b>OBRIAN STOUTE</b> Group 2 with support of the group</p>

5 <sup>h</sup>	SKNRA RoboMindset Summer Camp 2023  <b>Design Maverick Award</b>	Trophies	<p>This award recognizes participants who have demonstrated exceptional creativity, originality, and ingenuity in their designs during the RoboMindset Summer Camp.</p> <p>The "Design Maverick Award" celebrates individuals who have dared to think differently and have shown a pioneering spirit in developing unique and forward-thinking designs. This recognition encourages participants to embrace innovation and push the envelope in the field of robotics and engineering.</p>	Awarded to <b>RAINIER MARTIN</b> Group 3 with support of the group	Awarded to <b>VICKASH SINGH</b> from Group 2 with support of the group
6 <sup>th</sup>	SKNRA RoboMindset Summer Camp 2023  <b>Precision Performance Award</b>	Trophies	<p>This award is presented to participants who have demonstrated outstanding efficiency and effectiveness in their tasks and projects during the RoboMindset Summer Camp.</p> <p>The "Precision Performance Award" celebrates individuals who have achieved exceptional results through careful planning, skilful execution, and optimal use of resources. This recognition encourages participants to strive for excellence in their problem-solving abilities and highlights the importance of efficiency and effectiveness in the field of robotics and engineering.</p>
